

LIGHTHOUSE

"Your Word is a lamp to guide me and a light for my path" Psalm 119:105

Since the last LIGHTHOUSE :

Pastor Susan was in the hospital for about a week for back issues. She is on the mend and thanks everyone for their prayers and support. Some of the programs that were supposed to be done in August had to be rescheduled. We are glad to have her guidance back.

Our Pennies for Rice collection continues. We have raised enough to deliver 100 lbs of rice to Mary's Place to help support the refugee program in Rochester.

In August we also collected 144 school supply items that were given to Mary's Place.

The Chicken and Biscuit Dinner was a BIG success. Almost all the food was consumed by about 125 people. We raised \$974.00.

Women's fellowship met in September and they are always open to new participation

The storm windows on the eastside of the Church were glazed and painted. It was a big project that needed to be done.

There were other outdoor painting projects that were completed

The weeping redbud tree was dedicated in the front of the Church in loving memory to Pastor Susan's parents; Glenn Alan and Donna Joan Lancaster.

After attending new member classes, we welcomed into membership Pam Bastianelli and Charlie Tirabassi. Pastor Susan also was received as a member by transfer.

The new carpet committee is now reforming now that the furnace is complete and paid.

.....

FUTURE EVENTS

- | | |
